Introduction

- Hostel Room allocation system is a web application which aims at computerization of current procedure of allocating hostel rooms.

- Currently the process involves students filling up the forms and submitting them in respective hostel offices which involves a lot of paperwork, hence less efficient !

Types of Users

1. Student
2. Hostel Manager
3. Admin

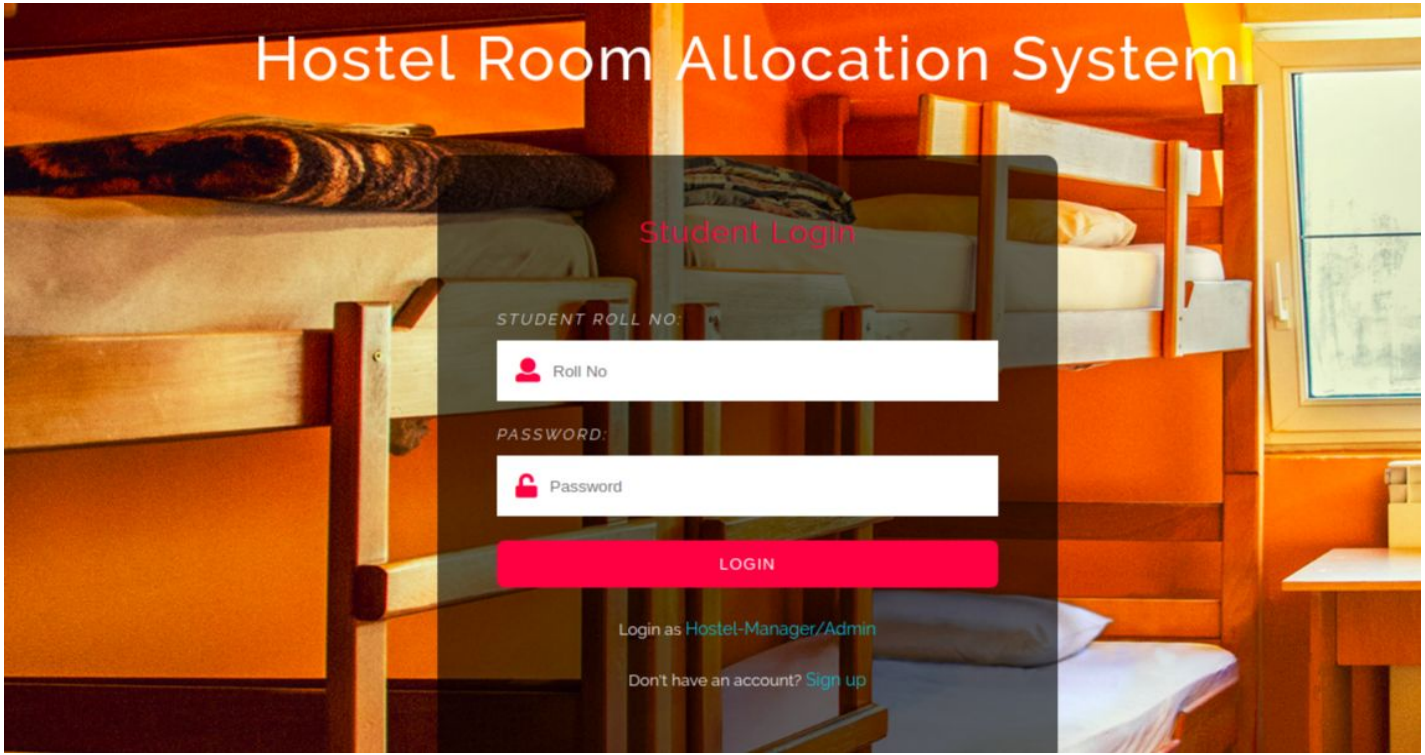

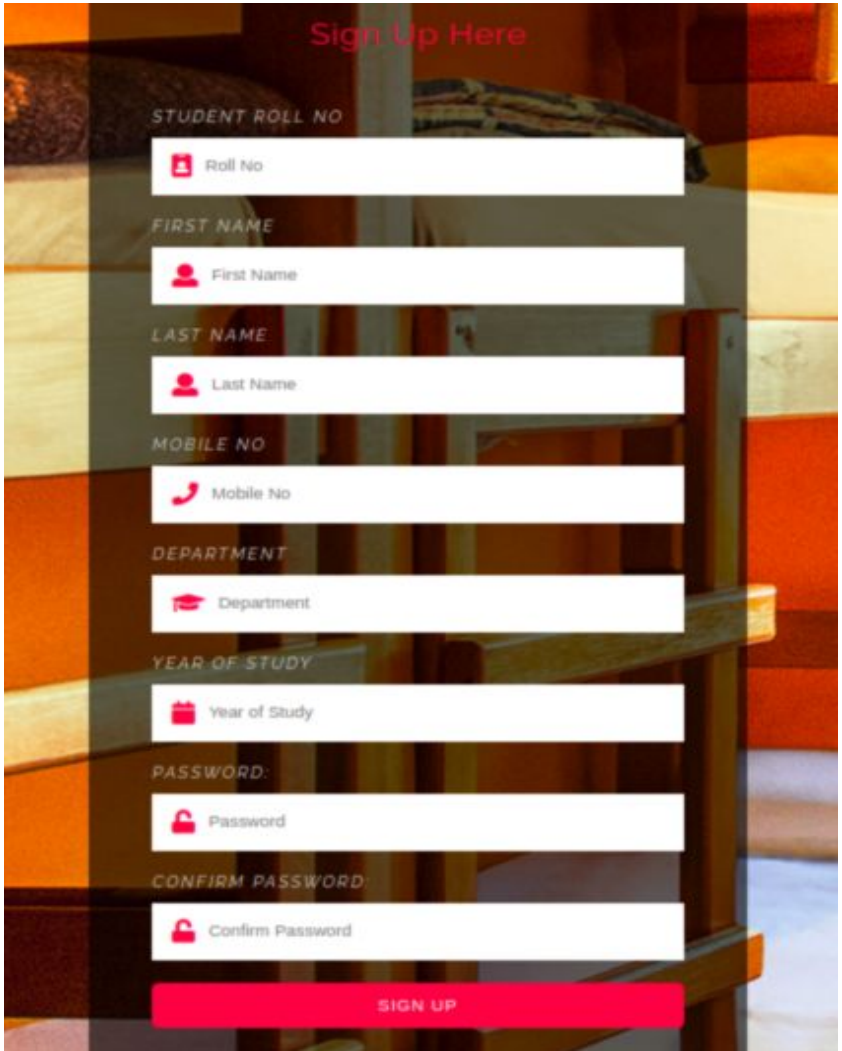

Student

Login Page

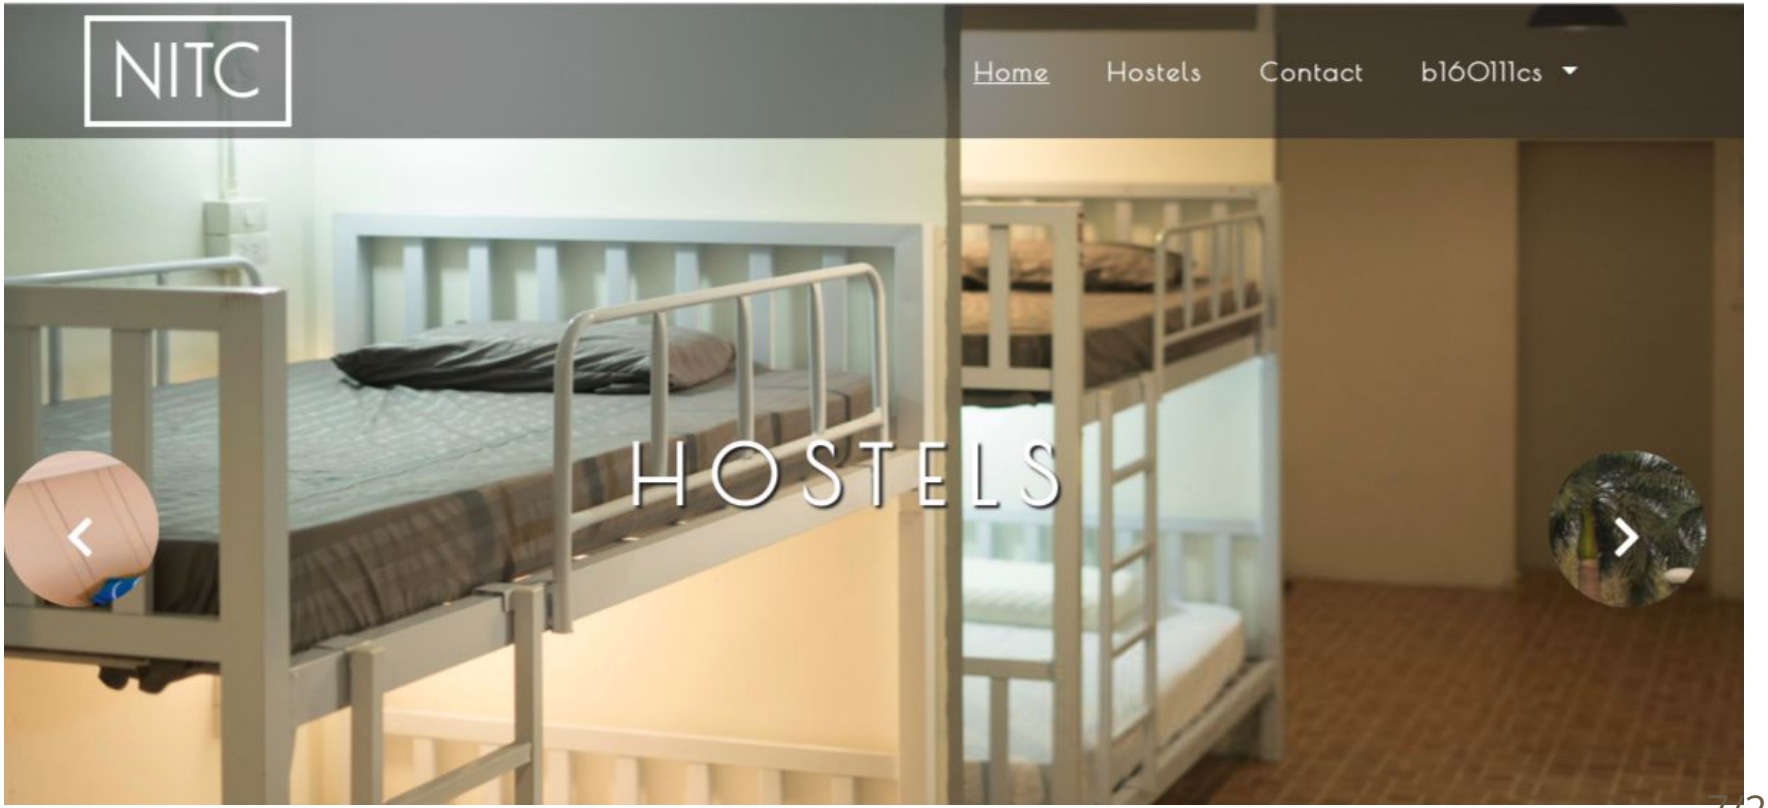

- If and only if the user exists in DB and password entered is correct, he/she will be able to login, otherwise appropriate error message is displayed.

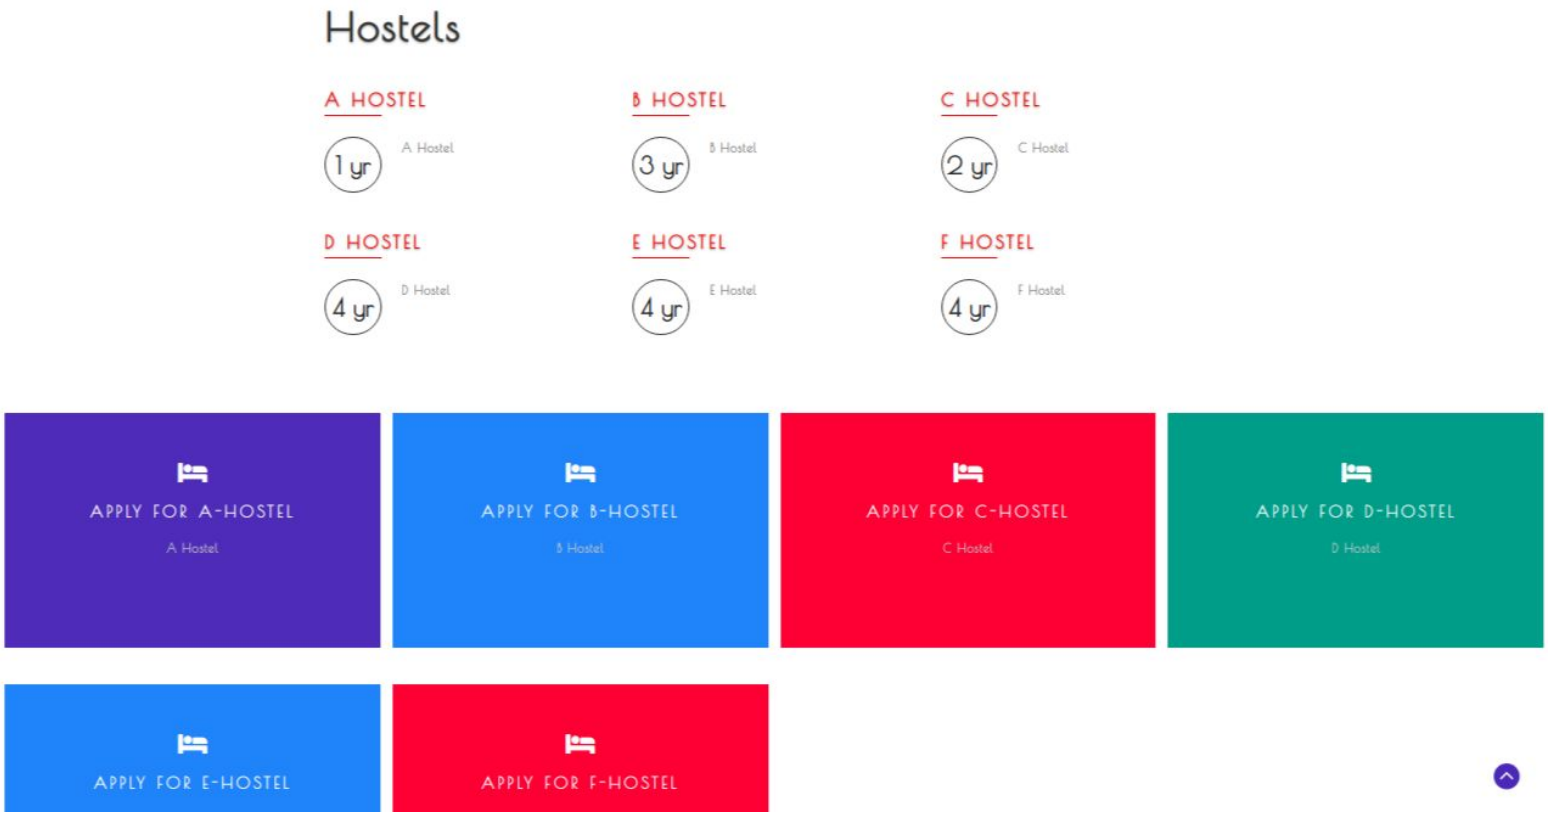

Sign Up Page

- Students who are not a part of the portal can register themselves here.
- **Hostel Manager cannot sign up, he/she can only login. Hostel manager can only be created by Admin!**
- All the necessary error conditions are checked.(like if a user with the entered roll number already exists).

Possible Error Checks

- Once a hostel becomes full the manager won't be able to allocate a room for student. So he/she will send a message to student saying that the rooms are full.

- If a student is already allocated a room, he can't apply to any other hostel.
